# Outdoor Team Building

## Labyrinth Challenge

The Labyrinth team building activity is our most popular and versatile challenge, indoors or outdoors, taking its inspiration from TV's "Crystal Maze" and "The Krypton Factor", but it's for teams rather than individuals. A series of 30-minute physical and intellectual challenges, aimed at team building with an emphasis on fun and problem solving rather than physical exertion.

## Alternative Olympics

Our Alternative Olympics outdoor team building activity is a popular and competitive team event, with challenges unlike any other sporting event you will have seen before! Being run as a structured competition, our range of superb Wacky Sports challenges are guaranteed to keep your delegates highly entertained all afternoon.

## Wacky Races

Do you remember Dick Dastardly, Muttley & Penelope Pitstop? Well, this is your chance to re-enact the plot as you attempt, in teams, to race each other "around the globe". This activity brings colourful and competitive fun to your event, as we aim to find the "World's Wackiest Racer" in our outdoor team building pedal kart spectacular.

# Outdoor Team Building

## It's a Knockout

Our 'It's A Knockout' is a highly colourful and a superbly impressive challenge for participants and spectators. With giant Inflatable activities drawing inspiration from TV gameshows along with other wacky challenges we can guarantee a fun filled afternoon. Coupled with background music and colourful props a real party atmosphere is created for all.

## Country Pursuits

Our Country Pursuit outdoor team building activity is quintessentially British. Get outdoors and enjoy the country lifestyle with shooting and falconry or something different such as duck herding and ferret racing. We will provide your guests with the best traditional outdoor team building activities for that true country event experience.

## Mixed Activities

An event that offers a plethora of activities selected to create the ultimate all round teambuilding experience. Take Shooting activities or Country pursuits and place them alongside the physical and mental challenges of the Labyrinth or Alternative Olympics and we can tailor the perfect programme to complement your guests, company or event.

# Indoor Team Building

## The Indoor Labyrinth

The Indoor Labyrinth team building activity is our most popular and versatile challenge, indoors or outdoors, taking its inspiration from TV's "Crystal Maze" and "The Krypton Factor", but it's for teams rather than individuals. A series of 30-minute physical and intellectual challenges, aimed at team building with an emphasis on fun and problem solving rather than physical exertion.

## Outside the Box

Outside the Box has been designed to highlight the importance and benefits of individuals and teams. With over 80 mini challenges the event highlights and draws on some key teambuilding dynamics including:

- ✓ Negotiation,
- ✓ Time management,
- ✓ Co-operation,
- ✓ Strategy planning,
- ✓ Communication.

## The Escape Room

Welcome to the dangerous era of the prohibition, where gangsters ruled the underworld. You are a group of Eliot Ness's Untouchables determined to find the location of Chicago's last illegal still and have been locked in by Al Capone's gang. Teams will have no more than 60 minutes to solve the riddle and escape before the room fills with lethal alcoholic fumes if you don't make it!

# Indoor Team Building

## Pitstop Challenge

The Pitstop Challenge is our exciting and enjoyable Formula 1 related challenge. Teams are tasked with designing & building a working model racing car.

All cars must be "self-propelled" and cannot be aided by pushing, pulling or similar means. The task involves purchasing parts from our Pitstop shop and creating a suitable vehicle that stays within the rules of the race.

## Masterpiece Creation

Masterpiece Creation is the ultimate in collaborative team building challenges where all delegates have one combined goal, recreate an artistic masterpiece on a grand scale! Guests have one objective, to create small paintings that when put together will replicate a masterpiece, this event highlights the importance of individuals within the larger team to reach one common goal.

## Spy School

You and your team are new recruits into MI6, sadly you've joined at a challenging time in the agency's history. We know is that one of the active agents is a 'mole', the only problem is we don't know which. As the latest set of operatives you are uncompromised and so it falls to you and your team to try and identify the 'mole' and save not only MI6 but the whole of the UK.

# Evening Entertainment

## QuizMania

It is a well-known cliché that “everybody loves a quiz” and this is particularly true of our ever popular interactive game show QuizMania.

It must be stressed that this is not a pub quiz! QuizMania is a pot pourri of all the best participation games you've ever played or heard of. Making your evening fun, frantic, colourful and very memorable.

## Games Tournament

Outside the Box has been designed to highlight the importance and benefits of individuals and teams. With over 80 mini challenges the event highlights and draws on some key teambuilding dynamics including:

- ✓ Negotiation,
- ✓ Time management,
- ✓ Co-operation,
- ✓ Strategy planning,
- ✓ Communication.

## A Night at the Races

Our highly acclaimed Night At The Races horse racing activity is suitable for even the most prestigious evening as we bring the thrill of the race-track into your event.

Hosted by our professional compere and assisted by professional tote staff we will guide you through the evening's entertainment, however, it is over to you to find the winning bet.

## The Ultimate Gameshow

“Come on down” and “Say what you see” in The Ultimate Gameshow. This event gives you and your guests the chance to take part in some of the very best gameshow's TV has to offer, all on the same night! Take part in your very own stunning evening event delivering the best TV participation games you've ever watched – and one or two that you haven't!

## Casino Evening

Bring the class of casino to your evening, whether it be Roulette, Blackjack, Poker or Craps play on our authentic, full-size quality tables as professional croupiers will help to make sure atmosphere is as close as you can get to the real thing – but without the risk. Why not go the whole way and theme your whole room and evening to give that true Vegas touch.

## Murder at the Vicarage

Professional actors set the scene and, as events unfold, the investigation commences. Characters are introduced during pre-dinner drink and when the guests have finished their first course the fun *really* begins. At the end of the first act, one of the characters is dramatically killed off and the mystery begins. The game is afoot...

# Event Theming

## Overview

Behind all the glitz and the glamour of themed corporate events lies careful planning, attention to detail, and creative thought as an authentic themed dinner or a sparkling award ceremony can provide an enthralling and memorable event.

Top themes include Oscars, Great Gatsby and Venetian but our specialists will help create the perfect theme for you and your event.

## Entertainment

From pre dinner drinks through to party time and even during your dinner, we have top quality entertainment to accompany any theme and offer a memorable evening of entertainment for all.

With live music acts, caricaturists & magicians or a simply a photo booth we can help to find suitable entertainment for your occasion.

## Table Centres

We know that spectacular themed table centres can transform a room and make all the difference to any evening event.

There are many elegant and effective ways to make the centre of each table look spectacular and some of our favorites include tall Lily vases and feathers or our rustic candelabras, but we are sure we will have the perfect centre for your dinner tables.

# Conference Production

## Overview

Audio visual support is an essential part of any professional event. Your specific requirement will vary with every event ranging a simple PA system right through to bespoke sets, LED screens and line array sound systems. We provide a bespoke solution for your live event along with a proven track record for providing a high-class service that will deliver results on time and to budget.

## Sound

To ensure that your important business messages reach your audience we will provide you with a high quality professional sound package tailoring those needs to the acoustics of the room.

Each event is different but our equipment covers the latest digital sound desks with top end microphones and speakers.

## Lighting

Effective lighting will help highlight your presenters, branding and with the addition of moving lights create that special "wow factor".

We can create personalised gobos for you, to include your logo or conference strap line, providing a stunning effect.

# Conference Production

## Projection

Using the latest high definition and 4K laser projectors and LED screens, we will make certain your slides, videos and live footage is delivered to your audience in the highest clarity.

If suitable you could have back projection or we can rig the projectors or LED wall from a ceiling truss. Projection mapping is available on request.

## Set and Stage

Set design is only limited by your imagination, from one large screen, twin screens or an ultra-widescreen with blended projection we ensure that your message is seen by all.

We can provide all CAD drawings and visualisations so you can see the finished result at the first production meeting!

## Presenter Aids

Our support equipment for Presenters include

- ✓ Comfort monitors,
- ✓ Cue light systems,
- ✓ Timing monitors,
- ✓ Auto-cue prompts

All set to give your presenters the back-up they need to deliver their messages confidently.

# Conference Production

## Pre-Conference Production

Slide preparation, pre conference filming and video production will give your event that truly professional touch.

Our skilled technicians will work with you in the build up to the event in order to provide the best possible result.

## Technical Support

During the show, we will appoint a dedicated team of specialist technicians who will work with you and provide a flawless production.

Pre event planning allows us to work closely with you, building a show schedule to ensure that everything is ready and rehearsed prior to the live show.

## Filming & Streaming

Whether it is pre-conference filming, post conference editing or live footage relayed onto the screen during the show, high definition cameras can enhance your conference.

Conference streaming via dedicated websites increases event exposure.
